

G. Welcome to Shizuoka

Exhibitors List of Shizuoka Prefecture

1	Café corner (Entertainment of Shizuoka Prefecture)	A corner booth where delicious drinks and snacks are served by people with disabilities who are kind and hospitable. We also sell Tearamis, our new product, besides cookies and other items. Please feel free to use our booth as a resting place during your visit to the convention.
2	Shizuoka Prefecture Cooks Association	We proudly present the skills of the cooks of Shizuoka Prefecture by exhibiting their works and demonstrating decorative cutting. Let us all be witness to wonderful surprises during live exhibitions that will transform ordinary foodstuffs such as carrots, radish, etc. into the shapes of beautiful flowers.
3	The Shizuoka Sushi Hygienic Environment Board of Shizuoka Sushi Society	We introduce "New Shizoka Chirashi," made of horseradish, and Fuji trout (rainbow trout)—local specialties of Shizuoka Prefecture. We also showcase our activities related to the theme of "local production, local consumption." Please experience the delicious offerings from Shizuoka Prefecture!
4	Shizuoka Prefecture Tourists Association	The season that has just arrived in Shizuoka Prefecture is full of attractions. Please come to us to know about the goings-on in Shizuoka and places of attractions that you can visit in Shizuoka Prefecture. We look forward to seeing you in our booth.
5	Shizuoka Joint Association of Small Scale Vocational Aid Centers	By demonstrating, exhibiting, and selling, we showcase the results of a project aiming to improve the quality of products made in vocational training centers, and thereby increase sales. Please purchase products that have been carefully made in sheltered workshops.
6	HAMAMATSU CITY	We introduce tourist spots and sightseeing attractions, including Lake Hamana, that are the pride of Hamamatsu City. Also savor local offerings that are not limited to eels. Witness the attractions of Hamamatsu and Lake Hamana at the Hamamatsu City booth.
7	IWATA CITY	We introduce Masuda Seed Orchard that has produced a Kale variety for the first time in Japan and has been conducting R&D on seeds. We also introduce products authorized by the company. Please try green juice and ice cream made from 100% organically grown Kale.
8	KAKEGAWA CITY	Visit "Koresshika Dokoro," a store selling a variety of local confectionary and food. We also provide tasting of Kakegawa Tea, which is deeply steamed, to extract its richness and taste
9	FUKUROI CITY	Specialties of Fukuroi City such as tea harvested in Fukuroi City or processed food utilizing locally manufactured products can be relished in our booth everyday. Please experience the attractions of Fukuroi City by savoring its specialty products.
10	OMAEZAKI CITY	Female campaigners will distribute free pamphlets and novelty goods of Omaezaki City. We provide information on the tourist spots of Omaezaki City.
11	KOSAI CITY	Kosai City, which is located on the west shore of Lake Hamana and was one of the biggest ceramic production facilities in the Middle Ages, has approximately 1000 remains of kilns today. We showcase "Kosai ware of Lake Hamana," made of Kosai clay, which is famous for its simplicity.
12	KIKUGAWA CITY	Please try "Kikugawa tea," a local specialty of Kikugawa City, Shizuoka Prefecture. You can experience "To-cha" (fighting with tea) that offers you the chance to taste and compare various teas. Come and buy Kikugawa Tea as a souvenir!
13	MAKINOHARA CITY	You can fully enjoy the attractions of Makinohara City with rich-in-taste Makinohara tea, Sagara kites (descended from the middle of the Edo Period), Turushi-bina, and vividly colored Japanese-style bags.
14	MORI TOWN	We introduce and sell local specialties. On the 15th and 16th, Miso Manjyu, Umegoromo, and Vienna sausages that won the golden prize at the world convention will be available at our booth. On the 17th, we will offer Jiro-gaki (Japanese persimmon) and lettuce.
15	ARAI TOWN	Arai Town is a historic town located to the west of Lake Hamana. It is famous for Arai sekisho (a checking station of the past) and arm-held cylinder fireworks. As regards to our local specialties, we sell "Baku-meshi" with eels, "Uzumaki" (a Japanese sweet baked with black sugar and wheat), and so on.

16	SHIZUOKA UNIVERSAL DESIGN	Shizuoka was the first prefecture to incorporate universal design into the basic principle of prefecture administration, in an effort to stabilize the lives of its residents. These activities were conducted in cooperation with the local administration, residents, corporations, organizations, etc. of Shizuoka Prefecture.
17	Grand Opening Mt. Fuji Shizuoka Airport in March 2009	Transfer of people, transfer of goods! Very soon, people will head to Shizuoka that is full of vitality. The opening of Mt. Fuji Shizuoka Airport in March 2009 is slated to usher in immense benefits in terms of "industry" and "interaction."
